2 Rubric for Interpretation:

- 15-20 points: You have a strong belief in your infinite potential. You embrace challenges, view failures as opportunities, and are committed to continuous growth.
- 10-14 points: You have a moderately positive belief in your infinite potential. You see room for growth but may need to work on embracing challenges and learning from setbacks.
- 5-9 points: Your belief in infinite potential is somewhat limited. Consider exploring strategies to shift your mindset towards growth and resilience.
- 1-4 points: You may have a fixed mindset, believing that your abilities are largely static. It's essential to work on developing a more growth-oriented perspective.

Remember that this questionnaire provides a starting point for self-reflection, and it's never too late to cultivate a stronger belief in your infinite potential. Embracing challenges, learning from failures, and seeking continuous improvement can lead to remarkable personal growth.
